

NEW OSHA ONLINE OUTREACH REPORTING TOOL EFFECTIVE JUNE 1, 2013

The OSHA Outreach Department implemented an Online Outreach Reporting Tool for the submission of all training reports. Our office attempted to communicate this change to all of our trainers from January 2013 – June 1, 2013. We are sorry that we were unable to contact you during this period.

In order to submit reports in the new online system after June 1, all trainers must complete the training to utilize the new system. We are offering this training via an online webinar recording. Please click and view the link below. Once you complete the recording, please email the following information to Stephanie MacGilfrey at smacgilfrey@ucsd.edu:

Please provide your contact information requested below so that you can be entered into the new system:

Student ID/PID:		
First Name:		
Last Name:		
Preferred Email Address:		
Company Name:		
Telephone:		
Fax:		
Address:		
City:	State:	Zip Code:

Once you are entered into the new system, you will receive an email from Unex Web Ops with a temporary password and a link to the new website featuring the new OSHA Outreach Reporting Tool:
